

BEACH PARTY

to benefit Julie Suplee

Julie Suplee is a 3-year survivor of Kidney Cancer (RCC-sarcomatoid), a rare and aggressive disease not typical in young, healthy women. Although she successfully battled a prior bout with cancer, the cancer has recently returned and she is currently undergoing treatment to once again battle this disease.

Please join us for a beach party
Tuesday, June 8th
Ocean Pines Beach Club
49th Street & Ocean
